

**INDEPENDENT AUDITOR'S REPORTs**

**To the Members of  
Saifee Bucket Factory Private Limited**

**Report on the Audit of Financial Statements**

**Opinion**

1. We have audited the accompanying financial statements of **Saifee Bucket Factory Private Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2026, and the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and notes to financial statements including summary of material accounting policies and other explanatory information (together referred to as 'the financial statements').
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS') prescribed under section 133 of the Act and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

**Basis for Opinion**

3. We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key Audit Matters**

4. Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no other key audit matters to be communicated in our report.

**Information Other than the financial statements and Auditor's Report Thereon**

5. The Company's Board of Directors is responsible for the preparation of other information. The other comprises the information included in the Board's report including annexure to board report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management and Board of Directors for the financial statements**

6. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the Ind AS and accounting principles generally accepted in India, including Ind AS prescribed under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

7. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Report on Other Legal and Regulatory Requirements

8. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of section 143(11) of the Act, we give in the **Annexure "A"** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
9. As required by section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying audited financial statements;
  - (b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
  - (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Cash Flow Statement dealt with this report are in agreement with the books of account maintained for the purpose of preparation of the aforesaid financial statement;
  - (d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act;

**N. A. SHAH ASSOCIATES LLP**  
Chartered Accountants

- (e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026, from being appointed as a director in terms of Section 164(2) of the Act;
- (f) With respect to adequacy of internal financial controls with reference to financial statements of the Company and operating effectiveness of such controls, refer to our separate report given in **Annexure "B"**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements;
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the Company has not paid any remuneration to its directors during the year;

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - (i) There are no pending litigations and hence the question of disclosing the financial impact thereof in the financial statements does not arise.
  - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - (iii) There are no amounts which were required to be transferred to the Investor Education and Protection Fund.
  - (iv) As per the management representation provided, we report,

- (a) no funds have been advanced or loaned or invested by the Company to or in any other person(s) or entities, including foreign entities ("Intermediaries"), with the understanding that the intermediary shall whether directly or indirectly lend or invest in other persons or entities identified in any manner by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of ultimate beneficiaries.
  - (b) no funds have been received by the Company from any person(s) or entities including foreign entities ("Funding Parties") with the understanding that such Company shall whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (ultimate beneficiaries) or provide guarantee, security or the like on behalf of the Ultimate beneficiaries.

Based on the audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that caused us to believe that the above representations given by the management contain any material misstatement.

- (v) The Company has not declared or paid any dividend during the year and hence, the compliance with section 123 of the Companies Act, 2013 does not arise.

**N. A. SHAH ASSOCIATES LLP**  
Chartered Accountants

- (vi) Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of accounts which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

**Report on the Internal Financial Controls with reference to financial statements under clause (i) of sub-section 3 section 143 of the Companies Act, 2013 ("the Act")**

**Opinion**

We have audited the internal financial controls with reference to financial statements of **Saifee Bucket Factory Private Limited** ("the Company"), as of March 31, 2026, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to the financial statements and such internal financial controls with reference to the financial statements were operating effectively as at March 31, 2026, based on the internal control over financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Statements ("the Guidance Note"), issued by the Institute of Chartered Accountants of India ('ICAI').

**Management's and Board of Directors' Responsibilities for Internal Financial Controls**

The Company's management and board of directors are responsible for establishing and maintaining internal financial controls based on the internal financial control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Statements (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statement. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to financial statements.

**Meaning of Internal Financial Controls with reference to financial statements**

A Company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial statements and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls with reference to financial statements**

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**1 Company background**

- 1.01 Clare Road Realty Private Limited (Formerly known as Saifee Bucket Factory Private Limited) (the "Company") is incorporated and domiciled in India. The Company is subsidiary of Valor Estate Limited (Formerly known as DB Realty Limited), which is listed with National Stock Exchange and Bombay Stock Exchange. The Company has its principal place of business in Mumbai and its Registered Offices at 7th Floor, Resham Bhavan, Veer Nariman Road, Churchgate, Mumbai - 400020.
- 1.02 The Company is a real estate development Company and has ownership of approximately 10,000 sq. ft. land at Byculla, Mumbai. The cost of building was Rs. 0.83 lakhs, which has been fully depreciated. The building is with underlying land, which the Company proposes to develop.
- 1.03 The Company's financial statements are authorised for issue in accordance with a resolution of the Board of Directors on May 27, 2026 in accordance with the provisions of the Companies Act, 2013 ('the Act') and are subject to the approval of the shareholders at the Annual General Meeting.

**2 Statement of compliance, basis of preparation, material accounting judgements, estimates and assumptions and material accounting policies followed in the preparation and presentation of the financial statements**

**2.01 Statement of compliance**

These financial statements are separate financial statements prepared in accordance with Indian Accounting Standards ("Ind AS"), prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013 (Ind AS compliant Schedule III).

**2.02 Basis of preparation & presentation**

The financial statements have been prepared on accrual and going concern basis read with note no 19 to the financial statements. The accounting policies are consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The financial statements have been prepared under the historical cost convention with the exception of certain assets and liabilities that are required to be carried at fair value by Ind AS.

The financial statements are in accordance with Division II of Schedule III to the Act, as applicable to the Company.

Transactions and balances with values below the rounding off norms adopted by the Company have been reflected as "0.00" in the relevant notes in these financial statements.

**2.03 Current and non-current classification of assets and liabilities and operating cycle**

All assets and liabilities are presented in the balance sheet based on current and non-current classification as per Company's normal operating cycle and other criteria set out in Schedule III of the Act.

In the absence of a clearly identifiable or active real estate project as at the reporting date, the Company has considered a period of 12 months as its operating cycle for the purpose of classification of assets and liabilities into current and non-current, in accordance with the requirements of Schedule III to the Act. Once a specific project is conceptualized and development is commenced, the operating cycle will be reassessed to reflect the project-specific lifecycle.

**2.04 Functional and presentation currency**

The functional and presentation currency of the Company is Indian Rupee (INR) and all the values are rounded to nearest INR lakhs, except when otherwise indicated. INR is also the currency of the primary economic environment in which the Company operates.

**2.05 Material accounting judgements, estimates and assumptions**

The preparation of financial statements is in conformity with the recognition and measurement principles of Ind AS which requires the management to make judgements for estimates and assumptions that affect the amounts of assets, liabilities and the disclosure of contingent liabilities on the reporting date and the amounts of revenues and expenses during the reporting period and the disclosure of contingent liabilities. Differences between actual results and estimates are recognized in the period in which the results are known/materialize.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revision to accounting estimates is recognised in the period in which the estimate is revised and future periods affected.

There are no estimates and assumptions that involve a significant risk of causing a material adjustment to the carrying values of assets and liabilities within the next financial year.

**2.06 Measurement of fair values**

These financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities that are measured at fair value in accordance with Ind AS (refer accounting policy no. 2.07 regarding financial instruments)

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date. Fair values are determined using market-based assumptions, considering the principal or most advantageous market accessible to the Company.

Fair value measurements are classified into the following levels:

- Level 1: Quoted prices in active markets for identical assets or liabilities.
- Level 2: Valuation techniques using observable market inputs.
- Level 3: Valuation techniques using unobservable inputs.

**The material accounting policies are set out below:**

**2.07 Financial instruments**

**Initial recognition and measurement:**

Financial assets and financial liabilities are initially recognized when the Company becomes a party to the contractual provisions of the instrument. They are initially measured at fair value, and in the case of financial instruments not at fair value through profit or loss, inclusive of transaction costs.

**Classification and subsequent measurement:**

Financial assets are classified and measured based on the Company's business model for managing the asset and its contractual cash flow characteristics, as follows:

- Measured at amortised cost
- Measured at fair value through other comprehensive income (FVOCI)
- Measured at fair value through profit or loss (FVTPL)

Financial liabilities are generally measured at amortised cost, except for those designated at FVTPL.

**Derecognition:**

A financial asset is derecognized when the rights to receive cash flows from the asset expire or are transferred. A financial liability is derecognized when the obligation under the liability is discharged, cancelled, or expired.

**Financial assets**

**• Cash and cash equivalents:**

Cash and cash equivalents include cash on hand, balances with banks, and other short-term highly liquid investments with original maturities of three months or less, which are subject to an insignificant risk of changes in value.

**Impairment of financial assets:**

The Company applies the expected credit loss (ECL) model for recognising impairment on financial assets measured at amortised cost. The ECL is based on historical loss experience and forward-looking information.

**Financial liabilities**

- **Equity instruments**

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued are recognised at the proceeds received, net of direct issue costs.

- **Financial liabilities**

Trade and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortised cost, using the effective interest rate method where the time value of money is significant.

Interest-free loans received from the holding company are repayable on demand and are classified as current financial liabilities. Such loans are recorded at the transaction value, as the fair value is considered to be equivalent to the amount received, given the demand feature. No interest expense is recognised on these loans.

**Effective interest rate method**

The effective interest rate (EIR) method is used to calculate the amortised cost of a financial asset or liability and to allocate the interest income or expense over the relevant period. The EIR is the rate that exactly discounts estimated future cash flows to the initial carrying amount of the financial instrument.

**2.08 Income taxes**

Income tax expense comprises current tax expense and deferred tax. Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

**(i) Current tax**

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

**(ii) Deferred tax**

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary differences arise from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss. Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities.

## 2.09 Provisions, contingent liabilities and contingent assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

When the Company expects some or all of a provision to be reimbursed, the same is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent assets are not recognised in the standalone financial statements if the inflow of the economic benefit is probable than it is disclosed in the standalone financial statements.

Both provisions and contingent liabilities are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent Liabilities are not recognized but are disclosed in the notes.

## 2.10 Earnings per share (EPS)

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year are adjusted for events including a bonus issue, bonus element in right issue to existing shareholders, share split, and reverse share split (consolidation of shares).

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

## 2.11 Cash and cash equivalents

Cash and cash equivalent for the purpose of Cash Flow Statement comprise cash at bank and in hand and short term highly liquid investments which are subject to insignificant risk of changes in value.

## 2.12 Statement of cash flows

Cash Flow Statement is prepared under the Indirect Method as prescribed under the Indian Accounting Standard (Ind AS) 7 - Statement of Cash Flows. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

**2.13 Commitments**

Commitments are future liabilities for contractual expenditure. The commitments are classified and disclosed as follows:

- (a) The estimated amount of contracts remaining to be executed on capital accounts and not provided for; and
- (b) Other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of the management.

**2.14 Recent pronouncements**

The Ministry of Corporate Affairs ("MCA") issues new standards and amendments to existing standards under the Companies (Indian Accounting Standards) Rules, from time to time. Ind AS that has been issued but is not yet effective mentioned below:

Amendments to Ind AS 1, effective from April 1, 2026, clarify the classification of liabilities as current or non-current, including liabilities subject to covenants. The amendments specify that classification is based on rights existing at the reporting date, unaffected by management's expectations, and that the right to defer settlement for at least twelve months must exist and have substance as at that date. They also require additional disclosures where liabilities are subject to covenants to be complied with after the reporting period. Based on its assessment, the Company does not expect any material impact on the classification of its liabilities.

### Notes:

- Earnings available for debt service = Net profit after taxes (+) Depreciation and amortisation (+) Interest expenses (+) other adjustments like loss on sale of fixed assets, notional income and expenses etc. (-) Gain on sale of investments (-) Exceptional items
- Debt service = Interest and lease payments + Principal repayments
- Capital Employed = Tangible net worth + deferred tax liabilities (assets) + Total debt
- There are no operations in the Company, the variation in ratios is mainly on account of expenses debit in the current year. Thus the ratios cannot be analysed for its variances.
